X Not Present

In Attendance:

- 1. Apologies for Absence.** Cllr J Sloan
- 2. Declarations of Interest by Councillors on any items on the Agenda.** None.
- 3. Approval and signing of Minutes from the previous meeting on 28th June 2016**
The contents of the minutes were approved as an accurate record. All agreed.
- 4. Community Council Car park:** Nothing to report at this time.
- 5. Fly tipping issues:**
The Council received a report of the inner parts of a car tipped on common land at Pen Rhiw at the top of Cwm Pitch and also partially dismantled vehicles left by the road in the adjoining field. Clerk to contact the enforcement officer at Powys County Council.
- 6. Play area:**
Cllr C Owen advised that the contractor is waiting for the materials to arrive and is planning to complete the work in a weeks time.

It has been brought to the attention of the Council that the hedge outside Trelonydd needs to be cut back to allow more room on the pavement for the pedestrians.
- 7. Highways:**
Outstanding works (after road safety audit) – still awaiting response from NMWTRA
Cllr M Brennan suggested contacting Russell George AM with a view to seek his assistance in this matter.

Grass cutting at the Finnant junction – this has now been done.

Llandinam Bridge - A response has been received from Highways stating that Llandinam Bridge parapet is considered to be safe at present due to the temporary scaffold support that is in place. Currently there is no funding available for the cast iron parapet repair, these works will be included in future Capital repair programmes. The bridge is included in scheduled 3-yearly programme for routine maintenance and cleaning and this is due in the next financial year 2017/18.
It was agreed that this situation is not acceptable due to the fact that the railings on the side of the bridge are not safe, the temporary scaffold makes the bridge too narrow and the trees on either side need cutting. This issue to be followed up.

Cllr C Owen advised that some of the weeds on the bridge have recently been cleared.

Cllr Andy Owen informed the Council of a caravan and cars being parked again in the passing place by Middle Esgair. Clerk to contact Highways.
It was also suggested that a sign "Passing place only" be erected in that area.

Fisher German advised of Road closures from the 1st to 26th August and that it is their intention to commence the work on the 8th of August – to be completed within 10 working days.
